Content Theme:	Causes of the Civil War

Contextual Paragraph for Resource Set: The Westward Expansion was a welcome sign of growth for the United States, but the growth exasperated the issue of keeping the number of slave and free states balanced. The Compromise of 1850, the novel Uncle Tom's Cabin written by Harriett Beecher Stowe, and Lincoln's speech entitled "A House Divided" all are pieces to the complex issues that caused the South to secede from the Union and cause the Civil War to follow. What events caused the Civil War?
