

Annotated Resource Set (ARS)

Content Theme:	Tenement Housing	
Developed by:	Darlene James, Herriman High School	
Contextual Paragraph for Resource Set: Tenement houses were commonplace in large American cities in the late 19 th century and early 20 th century. Often located in ethnic neighborhoods and near factories, tenements provided families a living space, and often workspaces too, though they were often crowded and small. How would you describe the living conditions in tenements?
