|--|------------------------------------|---|
| Content Theme: | Coming to America |  |
| Developed by: | Jan Rolan, Granite School District | |
| Contextual Paragraph for Resource Set: Most Americans' origins started in a different country. People came to America for a variety of reasons: religious freedom, freedom from oppression, economic hardships, or for new opportunities. Students need to learn their own personal, primary historical information. Stories, artifacts and pictures of immigrants' journey to America need to be saved and shared to better understand who we are as a nation today. | | |
